OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 6 April 1977

25X1

1. [REDACTED] LIAISON Called Marsha, House Appropriations Committee staff, and advised her that we had scheduled Messrs. Charles Snodgrass and Ralph Preston, of the staff, to have lunch with the Director on 13 April at 12:30 p.m. I asked her to find out if they would require transportation and, if so, to let me know. She said she would get back to me.

25X1

2. [REDACTED] LEGISLATION Called Gil Bray, Minority Counsel of the Subcommittee on International Finance of the Senate Banking Committee, regarding S. 69, a bill to amend the Export Administration Act. He stated that section 107 which would have required certain reports to be made to the Secretary of Commerce has been deleted.

25X1

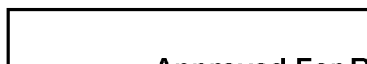

3. [REDACTED] LEGISLATION Talked to Ron Kenlien, OMB, and asked him what the Administration's position is on H.R. 3829, a bill "To establish a Commission on Ethics and Financial Disclosure for officers and Employees of the Federal Government, and for other purposes," and the status of the Executive order on the personal conduct and financial disclosure for Government employees. On H.R. 3829, he referred me to Hilda Schreiber, OMB. As for the Executive order, it was not going anywhere.

25X1

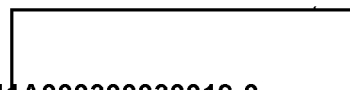

4. [REDACTED] LEGISLATION Attended the mark-up session by the Senate Committee on Banking, Housing and Urban Affairs on S. 305, Senator William Proxmire's (D., Wis.) bill to expand corporate reporting requirements and to outlaw foreign bribery. [REDACTED] also attended. The amendments proposed by the Agency were introduced by Senator Adlai Stevenson (D., Ill.) and adopted by the Committee. (See Memorandum for the Record.)

5. [] LIAISON Early in the morning, talked to John Jennison, Senate Banking, Housing and Urban Affairs Committee staff, who explained that Senator Edward Brooke (R., Mass.) was somewhat miffed because no one had contacted him on the amendments to S. 305 of interest to the Agency. I explained to Jennison that this problem was being worked through four Members of the Committee (Senators Adlai E. Stevenson (D., Ill.), Robert Morgan (D., N. C.), Jake Garn (R., Utah), and Richard G. Lugar (R., Ind.)), who are also Members of the Senate Select Committee on Intelligence, and that I had just been assured by Stan Taylor, of the Select Committee staff, that the Senators were planning to make contact with Senator Brooke. This seemed to satisfy Mr. Jennison.

6. [] LIAISON Sam Hoskinson, NSC staff, called to request suggestions for reply by Dr. Zbigniew Brzezinski, Assistant to the President for National Security Affairs, to a letter from Chairman John J. Flynt (D., Ga.), House Committee on Standards of Official Conduct, exploring means for the Committee to obtain access to intelligence agency information for the Committee's investigation of []

Bill Miller, Staff Director, Senate Select Committee on Intelligence, and Hoskinson met recently and discussed the draft legislation at a generally philosophical level. Hoskinson made it clear it would be inappropriate for him to draft specific language. It is Hoskinson's impression that Miller is resigning himself to the necessity to letting the Administration first get its act together.

7. [] LIAISON Spoke with Myron Krueger, NASA, who wanted to know the procedures we would follow if Chairman Edward P. Boland (D., Mass.), House Appropriations Subcommittee on HUD--Independent Agencies, became interested in []

I explained that we would handle this through Chairman George H. Mahon (D., Texas), House Appropriations Defense Subcommittee, which has jurisdiction over the Intelligence Community.

8. [] LIAISON Spoke with Bill Miller, Staff Director, Senate Select Committee on Intelligence, and made arrangements to get together to inform him of an omission for security reasons of the description of an extremely sensitive item from the information provided in our budget books, explaining that the substance of this matter was suitable for a briefing of the Chairman and Vice Chairman.

I later talked to Miller and he finally agreed to reschedule the 7 April Select Committee session on sensitive collection activities. Miller requested that it be rescheduled for 19 April, but I indicated there would be a conflict with the Director's schedule and provided him alternate dates of 18 or 20 April from 2:00 - 5:00 p.m. He will get back in touch.

9. [] LIAISON Dorothy Fosdick, Senate Governmental Affairs Permanent Subcommittee on Investigations staff, called on behalf of Senator Henry M. Jackson (D., Wash.), who is in Tucson, Arizona and interested in getting as soon as possible various statements in the Soviet press concerning Senator Jackson's role in the SALT process. The first batch of FBIS material was delivered to Ms. Fosdick within a short period of time and more material will be provided tomorrow.

Later, Ms. Fosdick called and said that Senator Jackson had been invited to a dinner at the Yugoslavian Embassy in honor of Dr. Walter Maglich. She wanted to know if we had any information on Dr. Maglich to help Senator Jackson determine whether he should attend. Based upon a check made by [] CPS/DDI, I advised Ms. Fosdick that we had no information, from the spelling of his name it may be that Dr. Maglich is an American citizen and suggested that she contact someone on the desk at State Department who may have more information.

10. [] BRIEFING Had several discussions with Dan Childs, Senate Select Committee on Intelligence staff, and Bill Miller, Staff Director of the Committee, concerning rescheduling of the Director's appearance before the Committee on the open budget issue and we finally settled on 27 April at 2:00 p.m.

11. [] LIAISON Bill Hogan, Counsel, House Armed Services Committee, called in connection with my earlier request to him that the House of Representatives may wish to avail themselves of the opportunity to file an amicus curiae brief in a FOIA case involving congressional documents. Hogan is in agreement with the Department of Justice brief we had sent him but will need the assistance of the Parliamentarian. He also thought it would be helpful if he could talk with the Justice people who were involved in the case. I said we would see if we could arrange to have them give him a call. [] is following up on this.

12. [] LIAISON Sent by courier to Chairman Daniel K. Inouye (D., Hawaii), Senate Select Committee on Intelligence, an interim response from [] regarding the Committee's letter on the smuggling of automatic pistols to Columbia.

13. [] LIAISON Received a call from Stan Taylor, Senate Select Committee on Intelligence staff, who said it was urgent that a senior Agency official call Senator Edward Brooke (R., Mass.), ranking minority member on the Senate Committee on Banking, Housing and Urban Affairs, regarding S. 305, prior to the 10:00 a.m. mark up session on the bill. I immediately passed this word to []

14. [] ADMINISTRATIVE - DELIVERIES Delivered to Audrey Hatry, Clerk, Senate Select Committee on Intelligence staff, two copies of the January 1977 Basic Intelligence Fact Book. Bill Miller, Staff Director, saw them and asked for a copy for each member of the Committee.

15. [] LIAISON Met with Stan Taylor, Senate Select Committee on Intelligence staff, and discussed three questions remaining regarding the Committee's Micronesia investigation. It was Taylor's opinion that no statement would be released now until after the Easter recess.

16. [] LIAISON Met with Elliot Maxwell, Senate Select Committee on Intelligence staff, and responded orally to his letter of 7 March 1977 regarding the training of foreigners in California and Nevada. These charges first surfaced in January 1977 Penthouse magazine article entitled "Staying Spooked".

I also delivered a letter to Maxwell from Admiral Murphy, D/DCI/IC, regarding cooperation with the Senate Select Committee on Intelligence in drafting new intelligence charters. I also delivered a copy of this letter to Bill Miller, Staff Director.

17. [] ADMINISTRATIVE - DELIVERIES Delivered to Ed Levine, Senate Select Committee on Intelligence staff, notes from his 1 April meeting with William Wells, DDO, on a sensitive Agency project.

18. [] LIAISON At the request of [] DD/Pers, I called Trudy Wikowski, in the Retirement Division of the Department of State, to determine the authority under which the Department was granting waivers to their annuitants to allow eligibility for benefits under the Civil Service Retirement system. (See Memorandum for the Record.)

19. [] LIAISON Accompanied Bill Miller, Staff Director, Senate Select Committee on Intelligence staff, to a meeting with Les Dirks, DD/S&T, Zeke Zellmer, ADD/S&T, Ed Ryan, C/OSO, and [] DC/OSO, on CIA SIGINT programs.

20. [] BRIEFING [] OLC, talked with Wayne Smith, House Merchant Marine and Fisheries Subcommittee on Oceanography, who was interested in a briefing soon of Committee member, Representative John Breaux (D., La.), on possibilities of cartelization of resources, other than oil, by countries that supply them to the U.S. as related to U.S. resource needs. I referred the request to [] CPS, who volunteered to call Smith.

22. [] BRIEFING Concerning the Congressional China travelers (Co-Chairmen Representative John Brademas, (D., Ind.) and Senator Richard Schweiker, (R., Pa.) et. al.), I arranged for [] to give escort officer, Mike Oksenberg, of the National Security Council staff, a defensive briefing, which Oksenberg will pass on to the members on their airborne way to Peking. Oksenberg was pleased. CPS and CRS caused rush jobs to be done collecting copies of more unclassified publications on China, and an updated biography of TENG Hsiao-p'ing, which were delivered to Oksenberg for distribution to the traveling members. [] CPS, talked with State's principal briefer of the group, Harry Thayer, of the People's Republic of China desk, and they decided there was neither time nor need for a CIA briefing of the travelers in addition to what State and National Security advisor, Zbigniew Brzezinski had given them. Oksenberg was grateful for the publications and the help. I advised Jim Mooney, Administrative Assistant of Representative Brademas, and Dave Newhall, Administrative Assistant of Senator Schweiker, of our efforts.

23. [] I called Suzanne Cavanaugh, Library of Congress/Congressional Research Service/Government Division, to advise that there was an unclassified CIA publication on terrorism, contrary to what I had told her several days ago. The publication is a research study entitled, "International and Transnational Terrorism: Diagnosis and Prognosis", published in April 1976. [] CPS, reported that this was in the DOCEX System, and I reported this to Cavanaugh who agreed to check in her Library files for copies; if she finds none, I agreed we would send her copies.
